Dear Sir/Madam

I am in the process of compiling a directory of award-making organisations, which will be circulated (as a major part of the University of Sheffield's Research Handbook) to all members of the University's academic staff.

I should be very grateful, therefore, if you would send me details of any award(s) that your organisation offers or administers, which are available to members of U.K. universities. Please use the following headings as a guide to the information required:

(i) Title of award
(ii) Subject area(s)
(iii) Nature of award
(iv) Eligibility/restrictions
(v) Level of support
(vi) Duration of award
(vii) Application procedure (including contact for enquiries/applications)
(viii) Closing date(s) for applications

Any additional information (such as advice for applicants, copies of any relevant booklets, etc) would be much appreciated.

I look forward to hearing from you, and thank you in advance for your assistance.

Yours faithfully

D P Fearnley
Administrative Assistant
(Research Stimulation Unit)
